

## **Level 3 in Mental Health and Therapeutic Approaches in Schools (Age specific).**

Our qualification has been developed to meet the specific needs of our learners and has been accredited by NCFE demonstrating the quality and rigor.

NCFE are an awarding organisation recognised by the qualification regulators for England (Ofqual, Wales (Qualification Wales) and Northern Ireland (CCEA Regulation). This is an unregulated qualification and is not a nationally recognised qualification

This qualification has been accredited as a Customised Qualification and we have benchmarked the qualification's learning outcomes and assessment criteria at Level 3 (using a national framework's level descriptors) to allow you to demonstrate the difficulty and depth of study.

On completion of the Customised Qualification, learners will receive a certificate of achievement. The certificate is evidence of the knowledge and skills gained by completing the qualification. This qualification has been accredited by NCFE under the Customised Qualification and the certificate of achievement will be issued directly by NCFE.
